

3D Vision

We want the Youth, Children & Families Ministry within the Parish to be defined by 3 things: Discovery, Discipleship and Development.

Our vision isn't focused on a future point in time but centred on the children, young people and volunteers who, through time, become engaged with this ministry and how God wants us to minister to and with them.

Discovery

We will strive to offer places & opportunities where children and young people can **discover** more about God, Christianity, the Bible and themselves, respond to the call of God in their life and help them to begin the pursuit of a personal relationship with Christ.

We will work for the **development** of those who give of their time, energy and skills in service within the youth & children's ministry by offering suitable training and equipping courses and sessions.
