

Introducing...

Dear Friends,

Welcome to our new look newsletter!

Communication was a prominent issue raised in the life-giving questions initiative and this is one of our life-giving responses to that. We hope this will help both on and offline users to be able to access information from across the parish.

Our pastoral callers, prayer groups and home groups are all helpful ways of sharing information as well as this once a month offering. 'News from the Parish' will, I pray, equip you all to share as you are able. The Wardens, Associate Vicar, the Youth & Children's team and Church Family news will all be shared with you in this same newsletter.

For those accessing it online you will see there are headlines on the content for each, simply click on each section in order to access more detailed information. **For those without online access**, receiving a paper version, no clicking necessary - you will have the same information in your hands. The newsletters will be issued on the 3rd Thursday of each month, on our website and social media platforms and sent out in paper form to those not online. Only urgent communications will be shared at other times and by other means.

We look forward to this newsletter being a life giving and vibrant sharing of the life of our very active Parish. Grateful thanks to all the staff team who have worked hard to make this possible.

Blessings

Tonbridge Parish Team.
