UPDATE FROM THE WARDENS – COVID PRECAUTIONS

As announced on Sunday 5th September, we have reviewed the arrangements that we described at the end of July.

We believe that precautions are still necessary as more and more people are returning to our services.

Indoor services

We are conscious that worshippers attending our churches have different levels of confidence about being gathered in large groups. Please be considerate of the more anxious and:

- continue to wear face coverings while in church
- be aware of spacing – in all our churches, seating arrangements have been changed to something that resembles pre-COVID times
- please use the hand sanitiser and signing in sheets available

All of the above precautions are voluntary.

Holy Communion

Communion will continue to be administered in one kind under the form of bread alone.

We are asking worshippers to continue to share the Peace without physical contact.
