## UPDATE FROM THE VICAR & THE CHURCHWARDENS – COVID PRECAUTIONS

We have reviewed the announcement made by the Government on the implementation of “Plan B”.

### Inside church buildings:

The wearing of face coverings is mandatory while indoors unless exempt.

In addition to this this, we are encouraging all visitors to our buildings to:

- be aware of spacing – seats are not socially distanced, but as a courtesy please ask the person you plan to sit near to if they want you to leave a space empty or not. In addition, if you feel more comfortable with a space between you and another household do say so to the person planning to sit next to you without any embarrassment
- please use the hand sanitiser and signing in sheets

### Holy Communion

Communion will continue to be administered in one kind under the form of bread alone.

We are asking worshippers to continue to share the Peace without physical contact.
