

3D VISION

We want the Youth, Children & Families Ministry within the Parish to be defined by 3 things: Discovery, Discipleship and Development.

Our vision is centred on the children, young people, significant adults and volunteers who, through time, become engaged with this ministry, and how God wants us to minister to and with them.

Discovery

We will strive to offer places & opportunities where children, young people and families can **discover** more about God, Christianity, the Bible and themselves, respond to the call of God in their lives and help them to begin the pursuit of a personal relationship with Christ.

Discipleship

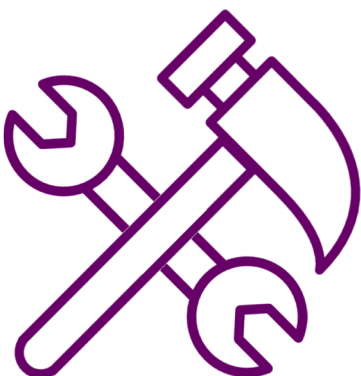

We will seek to **disciple** well those children and young people who have a growing personal relationship with Christ, and nurture them through Christian education and spiritual formation.

Development

We will work to **develop** the skills of all those who are actively involved in ministry with youth & children, be they adult volunteers, parents/guardians/carers, other significant adults or young people themselves.
