

ENCOURAGING SAFEGUARDING AWARENESS

ACCESSING THE CHURCH OF ENGLAND'S SAFEGUARDING TRAINING

Thanks so much for taking an interest.

The Church of England has prepared a number of training courses.

There are 2 courses in particular that we would like to point you to:

- C0 – Basic Awareness
- C1 -Foundations

The courses are available via the Church of England's training portal which can be accessed here:

<https://safeguardingtraining.cofeportal.org/>

If you do not already have an account on the training portal, it is relatively straightforward to set one up. If you click on “create new account” on the login screen, you’ll navigate to the right place.

Setting up an account and completing a course is free.

There is a separate note with some illustrative screen shots to help you navigate to the course library.

As it is an online system, you do not have to complete a course in one go. The system remembers where you have got to so you can spread the training over a period of time.

Thanks again

National Safeguarding Training Courses

Core Pathways

Core safeguarding learning pathways have been developed as a modular programme which builds learning according to role. Therefore, these pathways should be completed in consecutive order until an individual has reached the required highest level of learning for their role.

Basic Awareness

For everyone within Church communities who need to have a basic awareness of safeguarding issues.

Foundations

For those who hold positions of responsibility for the safeguarding of others within church settings.

Leadership

For all those who are in positions of safeguarding leadership within church settings.

Senior Leadership

A course for senior leaders that aims to connect the Church's mission and theological foundations with safeguarding principles.
