

Great start for 2025

Joy in Wintertime!

It may be grey outside, but we're still full of joy here at High hopes - in fact Joy is the theme of our latest assembly as continue in our series of 'Beyond Belief: Values into Action'

Using the story of Paul and Silas praising God instead of making a jailbreak, we're thinking about how Joy is like a perfume that you can choose to put on and change the mood of a place in every situation.

We are so pleased to confirm that we have found a new member of the team to focus on Tonbridge Schools.

Jessica will start with us in February!

Thank you for all your prayers, we know that you will continue now to prayer for her success in this ministry and the broadening of the outreach in the town.

We'll introduce you properly in the coming weeks

We were so sad to hear that Long Mead Primary had their minibus stolen. Its not usual for us to promote other causes, but Long Mead is a school that needs a lot of support and a very large number of the children rely on a bus to get to school.

We've linked their official fundraiser here...
