

Meet our newest member of the High Hopes Team: Jessica!

We're so pleased to have Jessica join us, here she is to say hello...

Hi Everyone!

I'm super excited to be joining High Hopes as their new Schools Worker. Children's ministry is close to my heart and I'm hoping to bring a new perspective and fresh energy to the team. I'm especially excited to revive projects like our after school club 'Fun Club'.

[drop me an email](#)

My love for working with children began at University where I coached cheerleading with children at a local primary school...

...and now I have just finished a wonderful time networking with other School Workers from across the country and learning new emerging ways to reach children and young people.

Please pray for Jessica as she dives into the ministry, meets 1000s of children and staff, and gets better acquainted with our brilliant town of Tonbridge!
